I just tried to fax it to you, but there is no answer on your end. I'll try again in a little bit.

Sounds great! (I quoted the doofus defense attorney) Thanks Sonja!

If by "the write-up on the underlying data associated with the analysis on this case" you mean a discovery packet, no problem. If not, let me know. I'll probably be able to get it done this morning and I shouldn't have any trouble faxing it to you (by first glance, it doesn't look like it will be that lengthy).

Hi Sonja,

This case is coming up for trial, but it probably won't be until after the July 4th week. Could you send me the write-up on the underlying data associated with the analysis on this case? The defense counsel asked for it, but very late...the judge was not happy with him but asked that I make an effort to get the documents as soon as I could. I think you faxed it to me the last time (#781-4745). I'll keep you posted on the next date. Thanks!

Hope all is well.
